

THE DANGER

to which the Expectant Mother is exposed and the foreboding and dread with which she looks forward to the hour of woman's severest trial is appreciated by but few. All effort should be made to smooth these rugged places in life's pathway for her, ere she presses to her bosom her babe.

MOTHER'S FRIEND

allays Nervousness, and so assists Nature that the change goes forward in an easy manner, without such violent protest in the way of Nausea, Headache, Etc. Gloomy forebodings yield to cheerful and hopeful anticipations—she passes through the ordeal quickly, and without pain—is left strong and vigorous and enabled to joyously perform the high and holy duties now devolved upon her. Safety to life of both is assured by the use of "Mother's Friend," and the time of recovery shortened.

"I know one lady, the mother of three children, who suffered greatly in the birth of each, who obtained a bottle of 'Mother's Friend' of me before her third confinement, and was relieved quickly and easily. All agree that her labor was shorter and less painful."

We hear many complaining that their corn is burned and some who go so far as to declare that rain could not help their crops. While this may be true of some fields an investigation would show that those fields had been so thickly planted that they could not have matured a crop without an abundance of rain. There are few fields to our knowledge which show the drouth even through the heat of the day on which would not mature some corn without another drop of rain. Plant your corn thin and taking one year with another you will have no cause to regret it.

COLEMAN.

Thomas Real has bought a threshing.

An inch and a half rain, Thursday morning.

Threshers are seen and heard in all directions.

Walter Hickling spent a day up here, recently.

J. W. Corner had eight acres of hog millet down when the rain came.

H. B. and Bert Wales and Ellis Divine have bought a threshing and are rolling the grain out.

Since Bob Nussbaum moved here last spring he has captured thirteen young coyotes.

Robert Traphagen had his finger cut pretty badly by a band cutter while feeding a threshing.

Matt Droll has got his wheat nearly two-thirds threshed. He has threshed out over 4,000 bushels.

Robert Traphagen is going with Thomas Real's threshing, with a team. One day last week one of his horses took sick and died.

Uncle Billy says there is one thing connected with threshing that he is willing to do his full share at and that is, feeding—himself.

Uncle Billy has a patch of alfalfa and has cut two crops of hay this year. He has all his millet in stock already and nearly ready for winter.

Wm. Colman has received orders from an Iowa man, who is now in Oregon, to buy him a farm here and he will move to it this fall. Now, who has a cheap farm to sell?

An Iowa man was looking over the country here last spring. He has just written Wm. Coleman, "Get a deed for that quarter we looked at first. I will move this fall or winter".

Dallas Divine, a young man of this town, sowed fifty-four acres of fall wheat, and last week threshed it and it yielded 1488 bushels and will weigh out close to 1600 bushels.

Uncle Billy may be getting to be a pretty hard nut, as the elements are after him. His wire fence has been struck three times by lightning, twice by grasshoppers and once by Bob Nussbaum's pony. He is of the opinion that the last stroke was entirely unnecessary.

Mrs. P. W. Hutchinson lives in the northeastern portion of South Dakota. She drove all the way down here with a pony and open buggy, to see the country here. She was so well pleased with it that the family will be here before winter. She spent six days at the home of Wm. Coleman. The round trip will make a drive of over 1000 miles. She is making the entire trip alone.

National Encampment G. A. R. Buffalo, N. Y., August 23-28. At the time of the National Encampment of the G. A. R., the Burlington Route will sell round trip tickets to Buffalo, at less than the regular one way rate. G. A. R. special train with through sleepers for Buffalo leaves Omaha 5 p. m. August 21. Berths reserved and special advertising matter furnished on request. See nearest Burlington Route agent or write J. Francis, G. P. A., Omaha, Neb.

The Great Ringling Coming. Ringling Brothers' show will appear in McCook, Wednesday, September 1st. Watch THE TRIBUNE next week for the full announcement.

M. O. McClure has purchased the Crawford residence in the northwestern part of the city and will occupy the same soon.

We understand that the Brigade band will give an open-air rehearsal to-morrow evening, on the street.

Remember September 1st is the date of the big show.

The New Tariff Law

Which has just been signed by the President, may be appropriately considered an Industrial Declaration of Independence. An official text of the law has just been published by the American Protective Tariff League, and should be carefully examined by every citizen. Protectionists ought to have a few copies of this law for distribution. Five copies will be sent to any address for ten cents. Ask for Document No. 30 and address W. F. To Subscribers of The Tribune.

Readers of THE TRIBUNE will please remember that cash is an essential in the publication of a paper. The publisher has been very lenient during the past few years, on account of crop failures and hard times, and as a consequence many hundreds of dollars are due on subscriptions. We are now compelled to request all who can to call and make settlement in full or in part. In view of the facts, our subscribers must feel the justice and urgency of this request.

Every Thursday at 11:40 p. m., M. T., a tourist sleeping car for Salt Lake City, San Francisco and Los Angeles leaves Omaha and Lincoln via the Burlington Route. It is carpeted, upholstered in rattan, has spring seats and backs and is provided with curtains, bedding, towels, soap, etc. An experienced excursion conductor and a uniformed Pullman porter accompany it through to the Pacific coast. While neither as expensively finished nor as fine to look at as a palace sleeper, it is just as good to ride in. Second class tickets are honored and the price of a berth, wide enough and big enough for two, is only \$5.00.

LEGAL NOTICE.

Silas H. Colvin, Sarah R. Colvin, John B. O'Leary and Margaret O'Leary, defendants, will take notice that on the 21st day of August, 1897, Helen T. Campbell, plaintiff herein, filed her petition in the District Court of Red Willow county, Nebraska, against said defendants, the object and prayer of which are to foreclose a certain mortgage executed by Silas Colvin and Sarah R. Colvin, to the plaintiff, upon lot No. 2, block 26, in the First addition to the city of McCook, Red Willow county, Nebraska, to secure the payment of certain promissory notes, dated March 16th, 1894. The principal note for the sum of \$500, due in five years from date, and ten interest notes for \$7.50 each, one of which is due and payable at the expiration of each six months from the date of said principal note. That there is now due upon said notes and mortgage the sum of \$507.36, for which sum with interest from this date plaintiff prays for a decree that defendants be required to pay the same or that said premises may be sold to satisfy the amount found due. You are also notified that on the 27th day of September, 1897, the first day of the September term of the District Court of Red Willow county, Nebraska, at the court room in McCook, Nebraska, or as soon thereafter as I can be heard, I will apply to the District Court of Red Willow county, for the appointment of a receiver of all the property set forth in the petition, upon the ground that the defendants are non-residents and insolvent and that said property is inadequate to pay the amount secured by said mortgage; and in support of such application I will produce oral testimony to the court. You are required to answer said petition on or before the 20th day of September, 1897.

By W. R. Starr, her attorney.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention THE TRIBUNE and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantees the genuineness of this offer. April 2-4 yr.
